

SAGIM PhD Network meeting 2020

Thursday the 26th of November 2020

Tivoli Congress Center, Arni Magnussons Gade 2, 1577 København

Again, this year we are proud to invite you to the third PhD network meeting. At this year's meeting we will work with presentation skills and how to improve your stage presence. Furthermore, workshops will focus on forming future Scandinavian collaborations.

Participating is free of charge

17.00 - 18:00	Presentation of your poster, improved 😊
18:30	Dinner

The day is facilitated by Mette Winther Klinge, MD, PhD and Lotte Fynne, MD, PhD.

To attend

Price: free

Registration: to b.lund@rn.dk, be sure to email your name, need for accommodation, if you participate in the dinner Thursday evening, food allergies, and whether you attend the SAGIM meeting the 27th of November.

Preparation for the PhD day:

You will need to have prepared a poster presentation. No longer than 6 minutes oral presentation. It does not have to be a study you already completed; the data can be preliminary or you can present your protocol.

Besides the oral presentation you need to bring a slide of your poster and preferable a printed poster to present at the SAGIM meeting.

If you do not want to have your poster presented and/or you do not want to be asked to present the poster orally at the SAGIM meeting please let us know beforehand (meteadar@rn.dk).

During the PhD day we will select the five best presentations and they will be asked to present orally at the SAGIM meeting the next day. The oral presentation at the meeting will be awarded with a travel grant of 500 DKK.
